**Amendment to Budget Bill Item 2150-001-0298, Support, Department of Financial
Institutions**

Increased Supervision of Money Transmitters (Issue 101)

It is requested that Item 2150-001-0298 be increased by \$1,030,000 and 9.0 positions on a three-year limited-term basis to address examination workload increases in the Transmitters of Money Abroad (TMA) Program.

The TMA industry is considered to be a "high risk" industry, because unlike banks and credit unions, they are not insured or federally regulated. Therefore, the Department of Financial Institutions (DFI) is solely responsible for regulatory oversight and supervision of this industry in the state. The DFI has recently been unable to meet examination cycles of its licensees due to a tremendous growth in the number of licensees and agents, increased enforcement actions, an increased number of poorly rated licensees, and the necessity for additional supervision due to anti-money laundering and terrorist financing regulations.

The effect of my requested action is reflected on the attachment.

A one-time augmentation of \$3,470,000 for the increase in scheduled workload costs for the passenger rail equipment rebuild and overhaul was inadvertently omitted in the Governor's Budget.

Passenger Rail Equipment Rebuild and Overhaul (Issue 116) —Add Item 2660-490 to reappropriate \$5,578,000 for continuation of the federally-mandated rebuild and overhaul of Caltrans' passenger rail cars that cannot be accomplished in 2007-08. It is requested that Item 2660-490 be added as follows:

2660-490—Reappropriation, Department of Transportation. The amount of \$5,578,000 as specified in the following citation is reappropriated for the purpose provided for in the appropriation and is available for encumbrance or expenditure until June 30, 2009.

0046—Public Transportation Account, State Transportation Fund.

(1) Item 2660-001-0046, Budget Act of 2005 (Chs. 38 and 39, Stats. 2005) Program 30-Mass Transportation for intercity rail.

The effect of my requested action is reflected on the attachment.

Add Budget Bill language to authorize the Department of General Services to enter into a long term lease for development of a replacement field office on a state site by a private developer. (See Attachment 1)

Facility Lease Delay (Issue 003)—Decrease Items 2740-001-0044, 2740-001-0042, and 2740-001-0064 by \$1,951,000, \$183,000, and \$1,348,000, respectively, and revert \$2,804,000, \$263,000, and \$1,939,000 in Items 2740-001-0044, 2740-001-0042, and 2740-001-0064, respectively, of the Budget Act of 2007. Delay in occupying various leased facilities approved in the 2007 Budget Act has resulted in rent savings in current and budget years.

The effect of my requested action is reflected on the attachment.
